Yachtcharter in Corsica - Fascination of an Island

Bright sandy beaches in the East and steep mountains as well as adorable kaps in the West are waiting for you. Circle the Corsica and experience it from all sides with the sailing yacht. Feel yourself unattached and free, anchor, swim or visit one of the numerous marinas. Enjoy one of the popular spiny lobsters. Exclusive bathing resorts, spas and picorial fishing villages alternate. The outback of Corsica is beautiful just as well as the coast, because of it's many natural wonders. Ajaccio and it's historic center is only surpassed by the citadel. It is the birthplace of Napoleon. It lies only 20 nautical miles away from the Golf of Valinco with the tiny fishing village Propiano.

Propiano is also a starting point for cruises to Sardinia and the Maddalena-Archipel, to the thyrrenian sea and with enough time, for the popular "eight" around Corsica and around Sardinia. At Bonifacio you'll find untouched nature and little bays not far off the turbulences of a touristic city. The east side of Corsica has got approximately 100 km of sandy beach from Solenzura till Bastia. The Golf of Saint Florence is like a ridge in the enormous mountains. From L'Ile Rousse and Saint Ambrogio you sail along the "Balagna", the garden of Corsica, to Calvi. Especially mentionable is the Girolata-bay.
