

Yachtcharter Sint Maarten

On a **Yachtcharter starting in St. Martin** you can count on blue waters during the first part of the winter season. These waters cover 200 nautical miles for sailing around the Leeward Islands from Dominica to Anguilla.

This is a region of extreme opposites. There is the english island of Anguilla with its endless beaches. There is the lovely french St. Barth's with its charming restaurants.

There is also the dutch St. Maarten and the french St. Martin. A real specialty for sports sailors is a **Yachtcharter from St. Martin** to Tortola.

Our VPM-Yachtcharter base St. Martin is located at Port Lonvilliers, Anse Marcel.
