

Yachtcharter Canada

British Columbia, the most western province of Canada, is the land of jagged mountains, dense forests and cristal clear waters on sea, lakes, and rivers.

You start in Vancouver, one of the world's most beautiful cities. Here you can still get an idea of the old british colonial style. On this trip you may experience the forest on Vancouver Island, spot some wales and see the different timber camps and fishing villages. Torrential mountain rivers, fertile farming land and glaciers that glitter in the distance make this trip an exceptional experience.

Partner bases:

Vancouver, British Columbia, Vancouver Islands, Point Roberts, Graham Islands, Queen Charlotte Islands
