

Yachtcharter Croatia

The coast of Croatia offers you many wonderful harbors and places to drop anchor with its roughly 700 islands. The untouched natural environment in the lonely bays and the cristal clear water, which invites you to go snorkeling, will remain with you as unforgettable impressions.

But even on land Croatia has a lot to offer.

The picturesque little villages and the romantic towns with their churches and historic cultural monuments as well as the many shopping opportunities invite you for a visit and a stroll.

The journey to Croatia is especially easy because the country has a good road system that connects it to central Europe. We can also offer you cheap flights to Split, for example.
