Note:

Please note that this is a suggested itinerary and not all yachts have the necessary licences / insurance to call at all destinations.

Please clarify this with the charter company before planning your trip. You will receive the necessary papers for your route planning from the lessor before the start of the charter, so these must be requested from the hirer / skipper in good time. The terms and conditions of the lessor / owner and, if applicable, their restrictions apply.

Please note the current developments and travel advice on the website of the Federal Foreign Office.
